Games are to be played at the scheduled times and are not to start early. If a team is not ready 5 minutes after their scheduled start time the game will be forfeited.

Five minute Warm-up.

18 minute running clock halves. Clock will stop the last minute of each half.

Five minute halftime (may be shortened if agreed upon by coaches).

Two minute overtime for 1st overtime period. Sudden Death overtime for 2nd overtime period.

Free Throws will be shot as 1 shot for X amount of points depending upon whether it was a 2 pt or 3 pt shot attempt. In the last minute of each half with the clock stopped, free throws will be shot in their entirety for actual points.

Personal and team fouls will be kept and the Bonus will be used for the entire game. 1 shot for 2 pts.

Man-to-Man Defense will be played by all teams. No Zones in the Full Court or Half Court. 1 warning then a technical Foul then a forfeit

With the above rule in mind there should not be double teams. Although teams may play help defense or help on screens once the primary defender recovers then the help defender should get back to their man. This may create a temporary double team and the officials will only stop play if they feel the double team was intentional and has a negative affect on the play.

Each team will have 1 full time out in the first half and 2 full timeouts in the 2nd half.
